

# TAB WASH

THE EVOLUTIONARY WASH

*Soko*  
CHEMICALS

# ONE STEP, ONE BATH, ALL IN ONE PROCESS.

## THE SUSTAINABLE FUTURE OF JEANS WASH

Tab Wash is the Soko first all in one process for the jeans washing, which gives an authentic vintage look, with sharp abrasion and high contrast, saving water & stones using a very easy method. It's based on a new concept of All-In enzymatic Tablets that directly applied in the washing machine, in a low liquor single bath, produce the typical abrasion look of the conventional stone-wash; Fast, Easy and Sustainable!

Faster and more production friendly than the previous eco-methods, such as spray systems; this new method for Jeans wash represents the cutting-edge technology for low water, low impact and more operator friendly process. The last frontier of Eco-Sustainability and Efficiency in the same bath.

# THE SUSTAINABLE EFFICIENCY

## ONE-STEP PROCESS

The full process is made in a single bath, with low liquor ratio for a real water saving.

## ALL-INGREDIENTS TABS

Ready to use, Easy to dose. The perfectly balanced combination of ingredients, without workers contamination.

## STONES FREE

The high efficiency and cleanness of the Tabs gives a perfect abrasion look even without stones.

## SUSTAINABLE

One of the lowest water consumption ever achieved, avoiding the use of stones.

## EFFICIENT

Easy & Fast method with a Low Cost.

# ALL-IN-TABS

## SINGLE BATH PROCESS

### SHARP ABRASION

A COMBINATION OF HIGH-EFFICIENCY ENZYMES FOR A PERFECTLY CONTROLLED ABRASION.

### CLEAN CONTRAST & HI-LOW

SYNERGIC INGREDIENTS TO REDUCE BACK-STAINING.

### STONE-FREE INGREDIENTS

AN INNOVATIVE FORMULA TO ENHANCE THE ABRASION AVOIDING THE USE OF STONES.

### BUFFERS & AUXILIARIES

ALL-IN COMPOUND TO ENSURE THE PERFECT WORKING CONDITIONS.
